## Submitting work completed at home for marking and feedback

Dear Parents/Carers,

As outlined in the 'Home Learning Support-Information for Parents and Carers' document, we ask that you submit your child's work to us via email so that class teachers can mark it and monitor your child's progress. They will then provide verbal feedback and address misconceptions through our live Teams feedback and support sessions. Invites to these sessions will be sent out on Monday 11<sup>th</sup> January 2021.

We appreciate that you have varying technology available to you and welcome the work in any format that can be emailed to us. Those of you with tablets or smart phones may find it easiest to take photographs of your child's work and attach them to the email.

Please send all submissions to the email address assigned to your child's class:

Thank you for your continued support.

Yours sincerely,
