

St. Joseph's Catholic Primary School

MISSION STATEMENT

St. Joseph's School is a learning community where the spiritual, moral, intellectual, social and physical development of the children is nurtured and developed, in a secure environment, based on Gospel values of God's Kingdom, revealed through Jesus and the teaching of His Church.

The school is committed to giving recognition, respect, understanding and value to each individual within the community and to fostering the development of personal and interpersonal growth in an atmosphere of trust and openness.

You can find lots of information about our school on our website
