23rd April 2018

Dear Parents /Carers,

We are constantly looking into ways to celebrate the success of our pupils and have decided to set up a dedicated school Facebook page in order to provide families with access to school news, event reminders, and also showcase the fantastic achievements of our pupils.

We feel, if used positively and appropriately by all involved, it has fantastic potential as a tool for communication and celebration. Please be assured that communication via our Facebook page will be in addition to the existing methods of communication used, and will not act as a replacement.

Please note:

- Pupil names will not appear alongside their photograph (children's photographs will not appear at all unless consent has been given)
- Personal information will not be posted
- As per the current arrangement, you will need to contact the school office, in person or via telephone, with any queries
- We ask that all involved use the page in a positive manner.

You need to give specific consent for your child's image to be uploaded to the school Facebook page. Please complete the attached slip and return it to school by Monday 30th April 2018 if you are happy for your child's image to be used. Please note that you can withdraw this consent at any time by writing to the school office.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mrs M Haveron
