3. Barriers to future attainment (for pupils eligible for PP, including high ability)

In-school barriers *(issues to be addressed in school)*

A.	Pupil premium pupils are making less progress in individually identified areas (Reading/Writing/Maths) than pupils not eligible for Pupil Premium funding in the same year groups
B.	Academically, More Able and Average Pupil Premium pupils need support to reach their full potential – Improved progress measures for this pupils
C.	Social, emotional and behavioural problems are affecting well-being and progress of some Pupil Premium pupils.
D.	Pupils on entry into Reception have low language acquisition and oracy skills

External barriers (*issues which also require action outside school*)

- E.** Some families do not receive the necessary support from home to promote a positive learning environment eg. Not supporting homework, reduced or variable attendance
- F.** Social and emotional difficulties due to complex family situations

4. Desired outcomes (*What we want for all our pupils including PP pupils*)

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Focus on the needs of Pupil Premium pupils in the planning and execution of Quality First Teaching	Pupils eligible for Pupil Premium identified as behind with progress in Reading, Writing or Maths make good progress by end of the year, so that all pupils eligible for Pupil Premium funding are closing the gap towards ARE or GD Measured by teacher assessments and successful moderation practices.
B.	Appropriate individualised support will be given to pupil premium pupils in years 3,4 and 5 to reduce the difference between them and non-PP children.	Academically More Able and Average Pupil Premium pupils reaching full potential against GD or ARE High expectations are being set by all staff across all subjects for all pupils
C.	Barriers to learning for Pupil Premium pupils identified as needing social, emotional well-being or other support are reduced	Pupils receiving support to reduce the barriers to learning reduce the negative impact their needs are having on their academic progress, so that all pupils eligible for Pupil Premium funding start to close the gap towards ARE or GD
D.	Focus on improving oracy and language acquisition skills in Reception	Pupils eligible for Pupil Premium identified as behind in their language skills make good progress by end of the year, so that all pupils eligible for Pupil Premium funding are closing the gap towards ARE
E.	Working to engage parents to support their children with their learning	Improving attendance rates so that the PP rates of persistent absence is reduced Pupils to use the Time Tables Rockstars and the Oxford reading Buddy to improve basic skills at home

	Work with families and improve the interaction and engagement with homework	
F.	Focus on ensuring families are being signposted towards the correct interventions and support necessary to engage and support them	Pupils eligible for Pupil Premium identified as struggling with their SMSC receive the support they need to help them to so that all pupils eligible for Pupil Premium funding are able to focus on their learning enabling them to start closing the gap towards ARE

5. Planned expenditure					
Academic year	2018-2019				
The three headings below enable St Joseph's to demonstrate how it is using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Improved progress and attainment for PP pupils	Specific consideration of the needs of pupil premium pupils to be included in all planning and lessons Staff training on the above	Following last year's PP evaluation it was identified that staff training was an issue. School has invested heavily in staff training including Teachers, TA's and HLTA's) Money is being invested in staff training – ensuring that all support staff (TA's and HLTA's) are trained in SPAG, Writing , Reading skills, arithmetic and reasoning to best support all pupils. Teachers have had access to English, maths and wider curriculum training to promote high quality	Courses selected using evidence of effectiveness, supported by the LA. Use Twilight time to support training opportunities. Planning scrutiny, lesson observation, book scrutiny	HT, DHT, AHT and class teachers	Dec 2018 April 2019 July 2019

	<p>Challenging and supportive Pupil Progress Meetings in Dec 2018, April 2019 & July 2019</p>	<p>teaching and learning for all pupils to ensure that provision for all PP and non-PP is equitable.</p> <p>Guidance given for Teachers to annotate support plans for PP children and update these termly on effectiveness of interventions.</p> <p>Targets for PP children added into teachers' plans and PM reviews. Following last year's PP evaluation in Pupil Progress meetings there will be specific questions focusing on the attainment and progress of PP children in relation to maths and literacy.</p> <p>Many different evidence sources suggest that this is an effective way to improve attainment, and it is suitable as an approach that we can embed across the school.</p> <p>E.g 'Supporting the attainment of disadvantaged pupils: Articulating success and good practice' Shona Macleod et al November 2015</p>	<p>Coordinator monitoring necessary to ensure that the whole curriculum is covered and those PP pupils are always considered.</p>		
<p>Improved curriculum access for PP pupils</p>	<p>The provision of appropriate support materials eg Clicker 7, Success @Arithmetic and planning materials that help to ensure that all lessons are well planned and executed with the needs of Pupil Premium pupils to the forefront</p>	<p>Education Endowment Foundation</p> <p>St Joseph's OFSTED 2016 report states that the school needs to broaden the learning opportunities for all pupils across the curriculum.</p>	<p>Planning scrutiny, lesson observation, book scrutiny</p>	<p>HT, DHT,</p>	<p>Dec 2018 April 2019 July 2019</p>

Total budgeted cost					£16,000
ii. Targeted support					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Improved progress for Pupil Premium pupils	1:1 tuition- Targeted individualised support for selected PP pupils Pupils to address misconceptions, gaps and weaknesses. 1 to 1 Maths support for selected PP pupils	‘The study demonstrates that one to one teaching with TAs is an effective strategy to increase numeracy skills in Year 2-6 pupils.’ See Education Endowment Foundation EEF Report 'Making Best Use of Teaching Assistants - Guidance Report - March 2015' Class Teacher and 3 TA’s will attend training for Success@arithmetic to improve the quality of maths intervention and ensure the early identification of pupils in need of catch up happens by Year 2 to ensure the gaps do not continue to grow but are swiftly identified and reduced.	Staff to attend appropriate Catch Up training . Impact overseen by Pupil Premium Coordinator and HT	Pupil Premium Coordinator and HT	Dec 2018 April 2019 July 2019

Higher rates of progress in writing for PP pupils.	Daily phonics intervention for EYFS and catch up Y1 and Y2 Booster writing for Y6 pupils to ensure that PP rates of GDS are wherever possible comparable with non-PP	Small group support for writing and phonics is taking place during the school morning ensuring small and targeted intervention to all groups appropriate and specific catering to their needs 'One-to-one tuition ...small group additional teaching are all supported by evidence of effectiveness in the Sutton Trust Education Endowment Foundation (EEF) Teaching and Learning toolkit' Supporting the attainment of disadvantaged pupils: Articulating success and good practice Shona Macleod et al [2015]	Impact overseen by Pupil Premium Coordinator.	Pupil Premium Coordinator and Class teachers	Dec 2018 April 2019 July 2019
Work with families and improve the interaction and engagement with homework	Pupils to use the Time Tables Rockstars and the Oxford reading Buddy to improve basic skills at home	The EEF report 'Working with parents to support children's learning' supports the schools ambition of all pupils attending school all of the time ensuring equal opportunities for all.	Improved engagement with homework requires working with parents – focused conversations with specific families. Class teachers discuss homework with all parents at the initial Sept meeting then in parents meetings as appropriate.	Class teachers report to HT	Termly
Total budgeted cost					£31,100
iii. Other approaches					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?

<p>To improve the attendance rates of the whole school and specifically on the disadvantaged persistent absence rate</p>	<p>Morning texts and phone calls when a pupil is absent Half termly monitoring and letters outlining attendance percentages and any +- Work with the County Attendance Officer (Phil Cox) Introduce a new tracking and monitoring system using Sims and Power Bi Weekly update on school letter for parents Half termly 100% awards New weekly assembly and reward for class of the week</p>	<p>The EEF report 'Working with parents to support children's learning' supports the schools ambition of all pupils attending school all of the time ensuring equal opportunities for all.</p>	<p>Review half termly and track percentages Meetings with parents every term as a minimum and half termly where appropriate.
