31st March 2020

Dear parents/carers,

We are at the start of week two and I have been so proud of the way in which you have all embraced the home school learning. We are working together as a community to support everyone, where possible, to stay at home and stay safe.

Every week the staff are uploading activities and links to websites for you and your children to access <http://www.stanley-pri.durham.sch.uk/our-classes/> As you can imagine we have some families who want more work, some who want less work and some who feel we have got it just about right – just like the three bears! With regards to school work, we want all our families to do what works best for them in their home. It is for each family to make their decision about the amount of work they can complete depending on how many children are in the family, how many electronic devices are available and how many adults are able to support. Please DO NOT put pressure on yourselves to complete everything which is put onto the system all at once, teachers are trying to put something on for everyone.

As a School, we continue to be open for the children of our 'Key Workers' and the most vulnerable children, nevertheless staff also continue to support all of our families as much as possible. Staff will be contacting families on a rolling basis, to keep in touch with you all. If you feel your circumstances have now changed and you may be entitled to Free School Meals please email stanleystjoseph@durhamlearning.net and include the following details: your name, your date of birth, your National insurance Number and the name of all of your children with their dates of birth – staff will then enter this information into the county system and let you know when the reply comes back.

Take and God Bless all of you.

Yours sincerely,

A D Thorpe

Mrs A D Thorpe

Headteacher
