

Permission to take and use photographs of children and their work

Year 6 are taking part in a visual literacy project with art organisation, The Forge (www.intheforge.com). The photographs, work and film may be reproduced in print and on the web as part of a celebration of the children's work.

To comply with the Data Protection Act 1998, they need your permission before they can photograph or make any recordings of your child. Please sign and date the form where shown.

This form should be completed by a parent/carer over the age of 18 before publication in association with St. Joseph's Primary School and The Forge (specialist arts organisation)

Data Protection Act, 1998

We confirm that we will not disclose your or your child's name or address in use of the material as described above or to any other organisation without your permission.

Grant of Permission *(Please delete as appropriate)*

I give permission for photography, work or video/audio recordings of my child..... *(insert name)* to be taken as part of The Forge's, Visual Literacy programme. The team may use the images/footage for an unlimited time period, royalty free.

YES/NO

How will the photos, work and recordings be used?

- The photos, recordings and work will/could be used in the press, on The Forge's website/publications.
- The Photographs, work and film may be reproduced in print and on the web (both school's and The Forge)
- The images and examples of work will be published by the school as part of the visual literacy project.
