## Foundation Subjects

### Science- Inheritance, evolution, plants and animals

- We have studied classification systems for plants and animals. Who devised the system – who started to divide and arrange them? [BBC Bitesize clip](#)
- Fossil mysteries – research animals we know to be extinct because of the fossils found throughout history. [BBC KS2 Science](#)
- [Oak Academy Evolution Science lessons](#) – lesson 6 is particularly useful. Create a fact file based on 'Life in the future'.

### Religious Education- Here is a link for this term's RE lessons. [Year 6 RE Diocesan lessons](#)

- **Lesson in November** – use Come and See Baptism / Confirmation Topic: Year 6
- **Lessons in December** - use Come and See Advent / Christmas Topic: Year 6

### Music

- Explore the musical elements [BBC Bitesize musical elements](#)

### Art

- Research Henri Rousseau's, 'Surprised' drawing. Can you create one based on the rainforest work we have studied. Which animal would you include? [BBC KS2 surprised painting](#)

### History WW1

- Explore the A-Z of WW1 [BBC WW1 KS2 information](#)
- Research the role of those who fought on the 'Front Line' [BBC Bitesize WW1 Front Line](#) Write a list of the jobs and what was expected of them.

### Computing

- Learn about [staying safe online](#). Look at each clip and understand how this can protect you when you are on a device. Create a poster promoting online safety for Year 6.
- Investigate how search engines work (it's really interesting!) [Oak Academy Computing: Search engines](#)
