Dear Parents,

As you may be aware, education has had to move to online learning until at least February half term. The teaching staff have uploaded children's learning materials to the class page section of the website.

Please also read and share with your child the Home Learning Support – Information for parents and carers document. This sets out the expectations of home and school during this time.

If you have difficulties with accessing the online provision please contact the school office where further support can be offered.

Thank you for your continued support

Yours Sincerely,

S. Fraser
