Wrap Around Childcare Survey

We are looking at the possibility of offering After School Childcare as well as continuing our Breakfast Club. A text message with a link to a very short survey has been sent to Parents/Carers. Thank you to everyone who has responded so far. If you have not yet responded, your views would be very much appreciated - just click on the link in the text from school on Wednesday 10th February.

Science Friction Competition

Our Science Friction competition is still open so keep sending your entrances into school. A small example of what we have already received has been posted on our Facebook page. The winners will be announced when All of the children return to school.

COVID19

- If your child has been in school on Thursday and/or Friday this week, it is very important that you let school know if they develop any COVID 19 symptoms over the week-end so we can let everyone else in the bubble know. Please email stanleystjoseph@durhamlearning.net
