22nd March 2021

Dear Parents/Carers

Year 4 Desert Island Survival Workshop Thursday 25th March 2021

As part of our Desert Island Survival project, we have organised an in-School Desert Island Survival workshop. The Day will be fully led by an experienced member of Wilderness Outdoor Education.

The day will include:

- Create fire using a fire steel
- Make, create and test their own water filter
- Desert Island edible bug tasting
- Cook over an open fire and eat their own bread using island ingredients
- Create a large rescue signal fire

It will be a fantastic way for the children to consolidate their learning and to experience "hands on" Desert Island Survival

Children should come to school dressed in old clothes.

If you have any further questions, please do not hesitate to ask.

Yours Sincerely

J Ashby

Mrs Ashby
Class Teacher
