Building Work

Building work has begun on the Reception and Nursery classrooms this week. We had lots of mini builders in helping the builders to remove the carpet.

Hoopstarz Day

All of the children took part in a Hoopstarz Day on Thursday and had a fantastic time. The coach who ran the sessions said “compliments to your children on their attitude and behaviour, both of which were impeccable. They were a pleasure to teach and really are a credit to your school”. We also received a telephone call from a member of the public who was on the Front Street during the sessions and they said that after what everyone has been through over the past 15 months it was a joy to hear the children laughing and playing with the hoops and it made them smile.
