Illness & Medication

A reminder that if your child is unwell and unable to attend school can you please ring the school office before 9.00am and leave a message on the answer phone or speak to the office staff. A reason for absence/symptoms must be given (rather than just feeling unwell) - as we need to monitor patterns of illness and contact Public Health for advice if necessary.

If your child has had 1 or more bouts of sickness and/or diarrhoea then they must stay off school for **48 hours after the last episode**. The advice from PHE is to check their website when a child becomes ill to get the most up to date information as to whether they need to stay at home. If your child becomes unwell and you are unsure as to whether they should stay at home please visit the PHE website and read the Exclusions Table <https://www.gov.uk/government/publications/health-protection-in-schools-and-other-childcare-facilities>

If your child has a medical condition regardless of whether they need medication or not school needs to be aware of this e.g. hay fever, asthma, constipation - bowel problems etc. If your child has a medical condition that we are not aware of can you please contact the school office for the relevant forms to complete.

School can administer prescribed and non-prescribed medication if your child needs it while at school. Parental agreement forms need to be completed and **medication hand into the office - please do not give medication to children to bring into school**. Forms are available from the school office or our website

Thank you for your continued support.

School Meals & ParentPay

Please help us ensure your child has the meal of their choice by booking meals by a Sunday at the latest for the following week. As I am sure you can appreciate, it can be **distressing for a child** if they haven't been booked in to have a school meal and they don't have a packed lunch (please note that this doesn't usually come to light until lunchtime). Staff will obviously then contact parents/carers to arrange a meal but children may have to have whatever is available at short notice and it is not always their choice or parents may have to bring a packed lunch in for their child. If your child is in KS1 or is entitled to free school meals these can be booked until the end of the school year (21st
